Certifications

- **Six Sigma Green Belt** | Villanova University | Mar 2016
- **Professional Scrum Master (PSM) I** | Scrum.Org | May 2015

Professional Experience

NAVIGATOR LABS, LLC (NavLabs) | Partner, Chief Operating Officer | Aug 2017 – May 2019
Responsible for customer satisfaction and talent acquisition and development at boutique software services firm. Development Lead and Solution Architect for all company projects. Expanded operations to seven employees, opened and managed D.C.-area office, and delivered successful software solutions for commercial and federal customers saving thousands of man-hours.

PARETO ADVISERS, LLC | Process Improvement Specialist | Sept 2016 – Aug 2017
Improved operational efficiency, saved overhead costs, and provided a more streamlined experience for internal and external customers. Spanned all levels of project and process development: gathered business requirements, created new process diagrams, contracted and managed consultants to automate processes, and personally developed small process or data enhancements. Defined product vision for new automated interfaces.

APPIAN CORP | Aug 2014 – Sept 2016
- **Quality Engineer** | Jan 2016 - Sept 2016
  Mitigated risks to the quality of the Embedded, Sites, and Process Modeler features of the Appian platform. Facilitated test design sessions with developers, created and reviewed manual test cases for individual features, and created feature regression test plans. Communicated high-level risks or additional testing needs to the Director of Quality Engineering.
- **Consultant** | Aug 2014 - Jan 2016
  Collaborated with a team from Appian Professional Services to design, develop, and deploy custom applications for Commercial North America, including sectors such as healthcare, filmmaking, and finance. Interfaced frequently with the customer to gather requirements, conduct live demos and user testing, and collect customer feedback.

Music Experience

BOARD OF DIRECTORS | Reston Community Players | June 2019 – Present
Implementing strategic theater development initiatives, such as acquiring the first corporate sponsorship and analyzing community engagement through ticket sales. Provide a technical perspective for planning and performing new works.

SOUND DESIGNER | Sept 2015 – Present
Responsible for all audio in professional and community theater performances. Develop sound effects, configure speaker plot, and manage and mix actor and pit orchestra wired and wireless microphones. WATCH award recipient for *Rock of Ages*.

TRUMPET PERFORMANCE | Sept 2002 – Present
Perform in marching band, jazz, and wind ensembles. Member of Kappa Kappa Psi, National Honorary Band Fraternity.

DJ | Sept 2011 – Aug 2015
Performed on a pair of Technics SL-MK2s controlled via Serato for crowds of up to 150 in professional and private venues.

Education

UNIVERSITY OF VIRGINIA | 3.71 GPA, *High Distinction* | Aug 2010 – May 2014
- **Bachelor of Science** | Mechanical Engineering
- **Bachelor of Arts** | Physics
- **Minor** | Engineering Business
